During registration, players will be able to sign-up for the various contests and other great giveaways that have been made possible through our generous donors.

Thank you for your support of the Jenks High School Golf Program!

J HS Golf Program Profile

Jenks High School Golf is a program steeped in a winning tradition. In the past 16 years, the combined girls' and boys' programs have heralded 14 state championships, 9 runners-up and 4 third place finishes. This comes from the dedication of year-round training by the players and the commitment of their coaches. We are proud of a fine group of players who excel in golf, maintain good standing in their academic classes and are good citizens in our community.

Why should I play?

As with most organizations, school budgets are tight right now. Schools have to prioritize how they spend their money, and in difficult financial times, the funding for extracurricular activities is less important than keeping teachers employed, keeping the lights on in the classroom, and purchasing the tools needed for learning. Athletics is an important part of many students' high school careers, and by participating in this golf tournament, you are helping to ensure that those students who are interested in the game of golf can continue to pursue their passion.

What will my money purchase for the teams?

By choosing to participate in this golf tournament, you will be helping to purchase essentials such as uniforms and golf equipment. The money raised in this tournament will also go toward the payment of tournament entry fees for the players, and help cover some of the travel and lodging expenses that arise throughout the season - the six teams are scheduled to play in 32 tournaments during the 2012 season. A small portion of your money will also be used to fund the end-of-the-season banquet in which seniors and outstanding players are honored in front of their friends and family.
